GET STARTED

Prequalification is the first step in obtaining SBA 504 financing for your project. To perform a prequalification, we request the following information.

- SBA 504 Application
- Resume & Personal Information for each 20% or more owner
- Personal Financial Statement(s) for each 20% or more owner
- Three years individual tax returns with schedules for each 20% or more owner
- Three years tax returns with schedules for the small business
- Financial statements, P&L and Balance Sheet, effective within the last 60 days
- Business Debt Schedule
- Name of franchise if applicable

Please submit this information to one of our Loan Experts so that we can determine if the SBA 504 program is the right choice for your project. If your project qualifies, a custom checklist will be sent listing all of the items needed for the full application.
